

Word of the Day – Generous

Transcript

Hi everyone. Today's word of the day is **“generous”**. **“Generous”** means to be sympathetic to others and also very giving such as giving time, money, help, or aid to someone. I can use this expression in this way,

“The philanthropist was so generous that that he left his estate to the children’s hospital.”

Or I can also use this to describe an amount.

“During Thanksgiving, my mom served a generous portion so that I got full quickly and had to unbuckle my belt after I ate to breathe.”

So I can use generous in terms of describing somebody's personality or to describe an amount. Thank you for listening to Practicast Word of the Day. You can find the script at Practicus.co.kr. Have a good day.
