

## Word of the Day – **Aspire**

### Transcript

Hi everyone. Today's word of the day is **aspire**. **Aspire** means to dream, to long of doing something, to yearn to do something. It is a strong desire, a goal, or an aim. I can use it in this way,

**“He aspired his whole life to become a doctor.”**

So it means he really dreamed of becoming a doctor and he really hoped for it. I can also use the word in noun form, **aspiration**.

**“He had aspirations to become a famous inventor.”**

So usually **aspire** is something that is a dream that is difficult to obtain but something you really hoped to get. So I hope you can use the words **aspire** and **aspiration** in your everyday lives. Thank you for listening to Practicast. You can find the script at [Practicus.co.kr](http://Practicus.co.kr).
